CONSULTATION

Consultations are complimentary and an important part of the wedding photography planning process. During the initial consultation we will get to know each other and discuss your wedding day vision. You will have the opportunity to look at my Portfolio, handle products, and address any concerns you may have. I will ask about your love story, your wedding day plans and your photography responsibilities. We will go over investment, services, and expectations. If we are good match, we can move forward with the booking process.

"She captured every little detail, got some great candids of the guests and took beautiful photos of our ceremony. We were very impressed with her professionalism and her ability to get every picture imaginable without ever being in the way of the guests. She was also great at posing us for our bride & groom pictures! We are having trouble choosing which photos to displayed around the house because they are all so great!"

FAQS

HOW DO I KNOW THAT YOU'RE THE RIGHT PHOTOGRAPHER FOR ME?

It can be hard to decide on your wedding photographer.

Look at my portfolio, do you like the style?

Meet me for coffee, do our personalities jive? Trust your instincts!

I'M GETTING MARRIED IN THE NOV - MAY, IS THERE A DISCOUNT?

Couples getting married in the off-season are welcome to more customized packages with less coverage when available.

HOW FAR IN ADVANCE SHOULD I BOOK?

As soon as possible! I book as early as 18 months in advance but can still accept wedding bookings 6-1 months before the wedding.

HOW MANY IMAGES CAN I EXPECT TO GET FROM MY WEDDING?

Every wedding is different but for 10 hours of coverage with one photographer you can expect between 800-1100 edited images. A minimum of 500 images is promised in the contract.

HOW LONG WILL IT TAKE FOR ME TO GET MY WEDDING IMAGES?

I work hard to get your images to you within 30 days. Depending on the time of year, it may take less or more time. The wedding contract promises your images in 60 days.

WHAT KIND OF EQUIPMENT DO YOU USE?

I use Canon 6D's with various red-line canon lenses and 600 speedlites. Manfrotto tripod and light stands. I carry back up equipment and lots of extra batteries and memory cards.

I'M GETTING MARRIED OUTSIDE OF WINNIPEG, ARE THERE EXTRA CHARGES?

Mileage is charged at \$.50/km. Many surrounding communities are mileage free.

For weddings over 200 km away, accommodations must be provided. Contact me for all the details.

WHEN CAN I ORDER PRODUCTS FROM YOU?

You can order products at any point during the booking process! You can even wait until after your wedding to order.

Guest books must be ordered 6 weeks before your wedding date.

HOW LONG DO YOU STORE MY IMAGES?

I guarantee storage of your images on multiple hard drives for 90 days after your wedding date. I highly recommend backing up your images as soon as you receive them. After 90 days I cannot be held responsible for lost images.

WHAT FORMS OF PAYMENT DO YOU ACCEPT?

Cheque, cash, and email money transfers.
